CORTAZU

PREMIUM OUTERWEAR

AWARD-WINNING AND ETHICALLY MADE

SUSTAINABLE OUTDOOR BRAND

Founded in Amsterdam by outdoor enthusiasts with a passion for hiking, winter sports and adventure.

HIGH-QUALITY MATERIALS

Stylish designs with a focus on functionality, sustainable materials and high-performance.

ON A MISSION TO REGREEN

For every jacket sold, we regreen 100m² of land to cool down the planet. Will you join us?

WORN & LOVED WORLDWIDE

From Canada to Japan. Customers in more than 60 countries are helping to regreen the world.

OUR MISSION

GETTING PEOPLE OUT THERE. FOR THE BETTER.

Cortazu is a B Corp™ certified outdoor brand that sells high-quality technical clothing for skiing, hiking and everyday use. We exist at the intersection of sports and lifestyle, with a focus on premium outdoor clothing made from sustainable materials.

Above all, we are a brand with a mission: "Getting people out there. For the better." Our goal is to regreen the planet by encouraging people to enjoy the outdoors in ethically produced products. By 2025, we aim to regreen over 10 million square meters of land and get 50,000 people outside.

In partnership with Justdiggit, we strive to cool down the planet and preserve its natural beauty. For every jacket sold, Cortazu regreens 100 square meters of land in Africa, inspiring people to fully enjoy nature with ethically made products.

Features

Water Resistant
DWR-treated, PFC-Free

Breathability
Highly breathable

Fabric
4-way stretch fabric

PRODUCT HIGHLIGHTS

The Stretch Pant is a lightweight and extremely durable pant designed for a wide variety of activities. Made from a lightweight and super soft 4-way stretch fabric developed by Toray™ which is breathable and easy to pack.

The premium materials, durable finishing, PFC-Free DWR impregnation (water resistant) and quick drying fabric make this stretch pant suitable from hiking to every use.

COLORS
